

SYMPOSIUM ON FUTURE SPACE ASTRONOMY AND SOLAR-SYSTEM SCIENCE MISSIONS (A7)
Space Agency Strategies and Plans (1)

Author: Prof. Pietro Ubertini
INAF, Italy

THE ROLE OF ACADEMIA, GOVERNMENT AND INDUSTRY IN FUTURE SPACE SCIENCE
MISSIONS

Abstract

We will host a 45 min panel discussion on the role of academia, government and industry in future space science missions. Leaders from industry, academia and space agencies will comprise the panel. The discussion will be moderated by Pietro Ubertini and Bernard Foing.
